

Bonwick Street shopping precinct: Business parking proposal

Moreland
City Council

Council is seeking feedback on a proposal to introduce dedicated car parking for Bonwick Street shopping precinct traders. Visit conversations.moreland.vic.gov.au/bonwick-business-parking before 5:00pm on Friday 5th February 2021 to submit your feedback.

The proposed site for business car parking is within 200m of the Bonwick Street business precinct – the south-east section of the public carpark in Penn Court, Fawcner. (Please see the Google Maps image to the right. The proposed site is highlighted in red.)

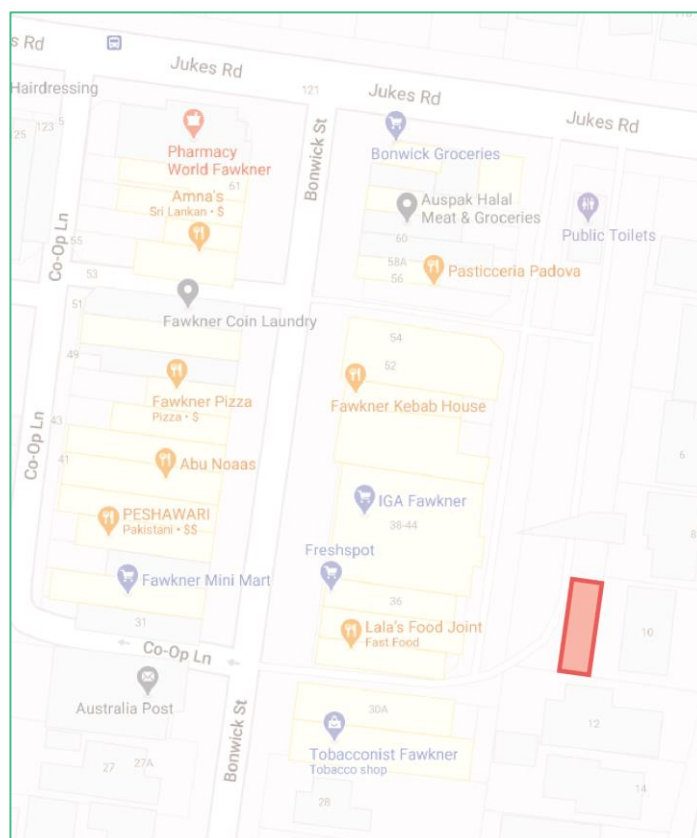

Permits and pricing

In this proposal, a business trading on Bonwick Street or Jukes Road, Fawcner could purchase their first car parking permits at a cost of \$131.10, and \$196.70 for their second permit, up to a total of 2 permits per business, per calendar year.

Why a paid permit?

All dedicated business parking bays in Moreland require the interested business to purchase a paid permit. Fees are charged for residential and business parking permits as a way to fairly manage public car parking.

This type of paid permit system is new for Bonwick Street traders which is why we are seeking your feedback. This change is in response to requests from businesses trading in Bonwick Street and Jukes Road for dedicated business parking. This proposal aims to strike a balance between the need for reliable parking for traders, and the availability of parking for customers visiting the Bonwick Street shopping strip and surrounds.

Above: Location of proposed dedicated business car parking. Location is Penn Court, Fawcner, highlighted in red.
